Collection Development

Subject librarians and faculty work together to develop the library collections. Submit material requests and suggestions about the collections to your subject librarian or use the Purchase Suggestions link on the SLU Libraries website.

http://lib.slu.edu/about/feedback/purchase

We offer:

- Course related library instruction*
- In-depth research consultations for students and faculty
- Online research guides*
- Plagiarism prevention strategies
- Citation management consultations

*Please contact your subject librarian at least two weeks in advance to allow adequate preparation time.
